TRAUMA
INTERVENTION
PROGRAM
(TIP) OF SOUTHERN NEVADA, INC.

On Thursday, November 7, 2024, TIP will be celebrating our 30th year of service in Clark County, Nevada. We are honoring this momentous occasion with a party... and we'd love to have you be a part of the festivities!

Join us for a celebratory dinner as we recognize a few of the individuals and agencies who have contributed to the success of the Trauma Intervention Program of Southern Nevada, Inc. Meet TIP's founder, as he joins us for the celebration. Enjoy some lighthearted fun on the dance floor, as we make this event the celebration that it deserves! This event also allows TIP the opportunity to raise funds necessary to continue the work that we do: providing immediate on scene emotional and practical support to those in crisis. We have sponsorship opportunities designed to help you meet your marketing objectives, while supporting this important cause.

Cheers to 30 years!

The Trauma Intervention Program (TIP) of Southern Nevada, Inc. is a non-profit organization dedicated to ensuring that those who are emotionally traumatized in emergency situations receive the assistance they need. TIP works closely with local emergency response agencies who request well-trained citizen volunteers to emergency scenes to provide emotional and practical support to family members, witnesses, and other bystanders directly on scene during the investigation.

The Trauma Intervention Program (TIP) of Southern Nevada, Inc. currently has 75 volunteers who respond to scenes of tragedy 24 hours a day, 7 days a week. In 2023, our volunteers responded to over 1,900 crisis scenes where they assisted over 7,000 citizens.

TIP has developed a course specifically for emergency responders, called E-TIP. This is an 8-hour class that teaches emotional first aid skills, peer support basics, and self-care. Each Emotional First Aid for Emergency Responders class is sponsored, to allow emergency responders attendance at no cost. To date, TIP has graduated over 1,000 emergency responders in Clark County. Attendees learn skills to help deal with the difficulties encountered within their own lives, their peers, and the individuals they encounter in their daily work.
